Seattle University golf is embarking on a new adventure to the top of the NCAA and Western Athletic Conference Rankings. This season, our student-athletes have the opportunity to compete for Conference honors and also an automatic berth into the NCAA Championship. It's an exciting thought and as a team we are doing everything we can to prepare ourselves to **WIN** come season's end.

While we are bringing our game to a new level, we need the same from our donors. In order to compete at the top of the WAC and position our program for future success, we need your help funding our efforts in recruiting and team travel. Through this unique opportunity our student-athletes will have a chance to contribute to the cause every time they tee it up this spring. Please consider supporting the Seattle University **Redhawks Birdie-Fest**. Sign up information is included in this package. We look forward to and truly appreciate your support this season. **Go Redhawks!**

Thank you in advance for your support – Redhawks Golf

2017 BIRDIE FEST

Men's & Women's Golf

The Seattle University Men's and Women's Golf programs present the 4th annual "REDHAWK Golf Birdie Fest." Your participation will assist us in playing a competitive, national schedule and it will also help us provide our students with the necessities needed to build a "Championship Program." We truly appreciate your role in giving our student athletes the opportunity to be successful on the golf course, in the classroom and in the community. Your generous support will help allow us to build and maintain a consistent ranking among the nation's elite golf programs.

WHAT IS BIRDIE FEST?

As a friend or Alumni of the golf programs at SeattleU, you are being asked to sponsor the team by either pledging an amount for each birdie the team makes during tournament play or by making an outright donation to the program. At the end of each Quarter, you will be sent an update regarding the team's birdie count!
