Train Like a Champion

Schedule is Subject to small changes

Camp Address:

27313 245th ave.
Maple Valley, WA 9838

The objectives of this camp are to:

- Help Junior Golfers improve their golf games by providing the some insights into the world class instruction we provide to our student athletes
- Help you gain an understanding into the NCAA recruiting process and how to get noticed
- Provide quality feedback in regards to practicing to improve
- Answer your questions

Once you participate in these online question and answer sessions you will have a concrete understanding of how to play golf at a higher level, with a focus on target and strategy instead of just swing mechanics. The main goal of the camp is too provide an understanding of how to gain the most from your practice, your time and your resources while gaining an understanding of what it takes to get noticed by NCAA college coaches. Challenging, Rewarding and Measurable practice methods!
