

# BAG TAG PROGRAM

Display your passion for supporting the SEATTLEU Redhawks Golf Program. For a **\$100** donation we will include you on our mailing list for updated events and results + provide a one of a kind Bag tag that you can prominently display on your Golf bag. We will also consider the first 50 people to enroll part of our Bag Tag Founders club which will provide 2 SeattleU Basketball tickets to a home game at Key Arena of your choice. Every dollar raised for SeattleU Golf goes directly towards our students athletes and should give you pride in knowing you have directly affected our successes both on and off the golf course.

Your consideration in regard to helping us continue to build a Championship program is very much appreciated. We want you to know that both teams have been working hard to compete in the NCAA Postseason and the men will have an opportunity to defend our 2017 WAC Championship which allowed us an opportunity to compete at the NCAA Regional for the first time since 1965.
